As the retail sector adjusts to the changes brought about by a growing online marketplace, the University of Hawai'i Bookstore System has sought new ways to engage and support our campus communities. During Fiscal Year 2016, we have made a concerted effort to reach out to our clientele by participating in New Faculty and New Student Orientations, and issuing a customer satisfaction survey. By building relationships with our customers, we have come to a better understanding of how to serve them.

One of our clientele’s primary concerns was the accessibility of educational materials. We addressed this concern by making our UH Bookstore Scholarship available to students at all UH System campuses, awarding $25,000 in funding. We also expanded our digital textbook inventory, resulting in significant cost savings for students.

Convenience was another important element to our customers. We provided a centralized shopping experience by expanding the services offered by Campus Solutions and adding high-demand lifestyle brands such as Herschel, RVCA, and TOMS to our inventory. For more information on our outreach efforts, please view the “Highlights of the Past Year” section of this report.

We are proud to serve such a diverse group of students, faculty, and staff. As we look toward the next fiscal year, we will strive to provide even more products and services that will make UH Bookstores the retailer of choice for our university ‘ohana. Even in a changing market, we will continue to supply everything that our campus communities need for college life and more.

HIGHLIGHTS FROM THE PAST YEAR

MERCHANDISE EXPANSIONS

• UH Bookstores expanded their selection of RedShelf digital books, providing students with a convenient way to access course materials. These digital titles offer substantial savings to students, are compatible with all readers and smartphones, and include enrichment tools such as study guides, definitions, and flashcards.

• UH Mānoa Bookstore worked with the UH Mānoa Dental Hygiene program office to consolidate the ordering of course materials. Students are now able to purchase kits that include all the materials they need for the semester. These kits yielded an additional $160,000 in sales for this category.

• Posters and vinyl banners can now be printed at Campus Solutions. Finishing services such as poster board mounting and grommet installation are also available. Now students, faculty, and staff don’t have to venture off campus to obtain visual aids for presentations or signage for special events.

• Herschel, Natural Life, RVCA, and TOMS are just a few of the on-trend brands that have been added to our stores’ selection of gifts and fast fashion. Mānoa Bookstore’s Campus Road boutique maintains a constant flow of new and exciting products that appeal to our student clientele. During FY17, product line expansion will continue at all stores.

OUTREACH EFFORTS

• UH Bookstores awarded $25,000 in scholarship funds to support students enrolled throughout the UH System during the 2015-2016 academic year. More than 2,000 applications were received and 13 winners were selected. Winning students were awarded $1,000 for part-time tuition or $2,000 for full-time tuition.

• UH Bookstores partnered with the Hawai‘i Graduation Initiative on its 15 to Finish program for a third straight year. Students who were enrolled in 15 credits or more per semester during their freshmen year were eligible to win free textbooks during their sophomore year. In FY16, $6,500 worth of textbooks were given to the winning students.

• During FY16, UH Bookstores provided $19,000 in merchandise donations to nonprofit organizations. These donations consisted of such items as gift cards and UH-branded merchandise. Priority was given to those organizations that benefit students and the campus community.
SPECIAL EVENTS

• The second annual Bed Bath & Beyond pop-up shop was hosted by Mānoa Bookstore in Fall 2015, which provided students with on-campus access to dorm room furnishings. An online shopping option was provided for additional convenience. This successful pop-up event yielded $10,000 in sales.

• To herald the start of the 2015-2016 academic year, Mānoa Bookstore hosted a new faculty orientation reception. Incoming faculty members were introduced to Bookstores managers and the services provided by their departments.

• Mānoa Bookstore held Grad Fairs two months prior to the end of the Fall 2015 and Spring 2016 semesters. These fairs served as one-stop shops for students, where they could gather important commencement information and place orders for announcements, caps, and gowns.

• As Fall 2015 drew to a close, Mānoa Bookstore held two holiday events: the Faculty and Staff Holiday Preview Sale and the Employee Apple One-Day Sale. Both of these fun, festive sales were well-attended and offered valuable deals to UH’s hardworking employees.

GOALS FOR FY17

• We will focus on increasing cost-effective options for students and improving educational outcomes through the implementation of a new Interactive Digital Access Program (IDAP). This program will supply interactive digital course materials at the lowest possible prices based on faculty agreement to teach from these materials. The IDAP program will be integrated into Laulima, where students can access all course materials starting one week prior to the start of the semester.

• In the coming year, we will continue to expand our range of products. Consumer interest in lifestyle brands such as Burt’s Bees, Gund, and Papyrus shows that our clientele wants more from us than just textbooks and school supplies. With the decline of print book revenues, sales in other categories are essential to the success and sustainability of our stores.

• We hope to expand and strengthen our partnerships with key vendors and affiliates. During FY16, we focused our outreach efforts on increasing knowledge of our services and establishing new contacts. The focus for the upcoming fiscal year will be on identifying and developing partnerships to increase revenues and improve our current offerings.
