

ADOBE VOLUME LICENSING FOR DEPARTMENTS

Please include the **email address of the system administrator** responsible for installing your Adobe software. Only the administrator has access to installation files and serial numbers.

Licenses allow online software download and installation. *License orders are delivered electronically from Adobe in approximately 3-5 business days (M-F).*

Licenses can also be purchased via P-Card on our website here: [Adobe Volume Licensing](#)

ITS Department offers Adobe Acrobat Pro DC for the UH System. To request for an Adobe account, please follow the directions through this link: <https://www.hawaii.edu/sitelic/adobe/>

Please contact ITS at 808-956-2404 or sladmin@hawaii.edu for any further questions or concerns.

*Shared device license is installed and "licensed" once to a single device, regardless of how many users there are for that device.

**Named-User license is licensed to an individual and can be installed, uninstalled, and then re-installed on up to no more than two active devices for that one user (e.g. install on your office desktop computer and your laptop).

Adobe Volume Licensed Products are eligible for UH departmental purchase only.

All prices and versions listed are subject to change without notice. Please call to inquire about current pricing and availability.
